

Lamonta Lines.

Mr. and Mrs. John Helfrich Jr expect to start to Portland soon where they will attend the carnival.

Mrs Oscar Cox received news that her father who lives in Airlie, Oregon, was not expected to live, and left for that place a few days ago.

John Rush has completed thrashing for this year and has shedded his machine.

Mrs Joseph Taylor and daughters Ada and Ruth, accompanied by Miss Viola Cox, started for the Willamette Valley last Thursday. Viola will attend school in Lebnon this winter and the Misses Taylor will attend school in Salem. Mrs. Taylor will be absent about three weeks.

Three well known men of this place left for the Upper Deschutes, Saturday, where they expect to hunt the wild, wooly bear. They started with great bravery, but we are afraid that when Mr. Bruin appears they will have more bravery in their feet than in their hearts.

Three prominent men of this district contemplant erecting a large hall at Lamonta. It is something badly needed.

Stroud & Rodman have finished thrashing for the present season and have housed their machinery.

Everett Miller bought back with him from the Willamette about sixty head of young cattle, which he expects to convert into big beef steers this winter.

Topsy.

Maury Flies.

From our regular correspondent. We have had several days of rainy weather and a good prospect of more, but as the second crop of alfalfa is about all in, it will do no harm and may do good towards starting the grass.

L. W. Bennett and wife intend starting for Idaho in a few days to spend the winter.

We understand that Charles Robbins has purchased the interest of John Moore in the Maury saw-mill.

I. B. Meyers has commenced work on the bridge across Camp creek.

By Bennett has started to California with a band of horses and will be gone for some time.

Robert Moore and wife, of your city were visiting with Mrs. H. B. Smith last week.

J W Bennett, wife and daughter Jessie, Mrs. I. B. Meyers and A. Craus have gone to bridge creek for fruit.

A Flondish Attack

An attack was lately made on C F Colles of Cherokee Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, not sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. The marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health.
