

Paulina Pointers.

From our regular correspondent.
C R Henry & Co have finished threshing for this season and have returned to their homes.

Mr and Mrs Vince Circle have gone to Dufur to visit their daughter who lives at that place.

Henry Dinsdale is building a house on his Mud springs ranch. Look out girls.

Fred Powell has gone to Prineville to obtain medical treatment.

George W Noble is having his house repainted this week.

Our County Sheriff was in this part of the country a few days ago and I had an idea he wanted to arrest some pretty girl for a love affair.

Mrs Anderson, of Prineville, was visiting in this vicinity recently.

A Fiendish Attack.

An attack was lately made on C F Collier of Cherokee Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, not sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. The marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health.

IF SHE IS PLEASED

With your new fall suit, then you have good reason to be satisfied.

Few men are brave enough to claim that they do not think of HER when it comes to selecting a suit or overcoat. We feel safe in saying if our heavy weight suits and overcoats do not please the most fastidious Wife or "Best Girl," nothing will. We know a thing or two about the ladies, and we freely admit that we are thinking about them when we buy our stock.

These K. N. & F. garments are far superior to other makes, in stylish appearance, durability and every essential of fine clothing. The man who wears one of these garments can feel himself tastefully and comfortably dressed.

Suits from \$8 up.
