**HOUSEWORK**

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

**WINE OF CARDUI**

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glandens, Ky., Feb. 15, 1901.

I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting bushier than I ever was before, and sleep good and so hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day; but now I don't think of lying down through the day.

Mrs. Rebecca Jones.
