A WORTHY SUCCESSOR.

"Something New Under the Sun."

All doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membrane causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of CATARRH has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharges and curing all inflammation. It is the only remedy that actually reaches the affected parts. This wonderful remedy is known as "SNUFFLES," the GUARANTEED CATARRH CURE," and is sold at the extremely low price of one dollar, each package containing internal and external medicine sufficient for a full month's treatment, and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is an ordinary remedy, but a complete treatment which is guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany every package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES," the GUARANTEED CATARRH CURE.

Sent prepaid to any address in the United States or Canada on receipt of one dollar. Address Dept. E 485 EDWIN R. GILES & COMPANY, 2330 and 2332 Market St. Philadelphia
