There is No Populists.

There is no populists in the United States senate. This, at least, is the assurance given the President by Senator Dubois, of Idaho, who has been looked upon as the sole remnant of the populist party in that body. The two Idaho senators recently had a conference with President Roosevelt, during which Dubois said that in the future he would act with the democrats. Dubois entered the senate as a republican. Senators Jones and Stewart, of Nevada, are al-

ready back in the republican ranks. Senator Teller, of Colorado, formerly a republican, is now firmly stationed with the democrats, as is also Senator Harris, the Kansas populist.

Where Was Moses?

The wind performed a feat here last Friday similar to that which rendered easy sledding for the Israelites when they reached the Red sea on their flight from Egypt. The stiff breeze from the south swept back the waters of Upper

Klamath lake until the bed of Klamath river, particularly across from Moore Bros' mill, was nearly dry. It was no trick to walk from one shore to the other without getting the feet wet. It takes the right kind of a strong wind to produce this effect and it does not occur often.—Republican.

Why pay freight on plain pine wood when you can buy the same at home? A H Lippman manufactures his furniture and gives you the benefit of the freight charges. During December he will have on hand over 100 styles of rocking chairs. Step in and look over the stock of furniture.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Cured Daily in Spite of Themselves.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS!

This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the cure administered by loving friends and relatives without their knowledge in tea or coffee, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." The HOME GOLD CURE is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. E 485 EDWIN B. GILES & CO. 2330 and 2332 Market St. Philadelphia.

BRIGHT'S DISEASE.

The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable disease.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting a dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address John J. Fulton Co., 450 Montgomery St., S. F., Cal.

Pullman Ordinary Sleepers.

The tourist travel between the east and the Pacific coast has reached enormous proportions in the last few years, and calls for a special class of equipment. To meet this demand the Pullman Co. has issued from its shops what it technically calls the "Pullman Ordinary Sleeper." These cars appear similar to the regular sleeper, being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillow-cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passenger. Each car has a stove for making coffee and tea and doing "light house-keeping," and each section can be fitted with an adjustable table. A uniform porter accompanies each car, his business being to make up berths, keep the car clean, and look after the comforts and wants of the passengers. In each of the trains which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers." The car is attached to the "Chicago-Portland Special," which goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Granger. Much of the first class travel is being carried in these cars, the rates being lower, and the service being nearly equal to that in the palace sleepers. For rates and full information, including orders, write to A. L. Craig, G. P. A., O. R. N. Co. Portland, Ore.

POWERFUL MEN of the EAST

An Interesting Explanation of their Unusual Strength.

The Secret of their Marvellous Vitality and Nerve Force Jealously Guarded

Women of the Harem Compound a Potion Whose Rejuvenating Effects are Almost Miraculous and Astonish the Most Skeptical

The fondest hopes of ancient and modern seekers after the Fountain of Perpetual Youth, can scarcely have aimed higher than the results achieved by the marvellous compound, known throughout the East as EL MORIB.

Travelers returning to Europe have, from time to time, brought astonishing index of the rejuvenating effects produced by this Wonder of the Orient.

Crudely compounded by the Women of the Harem, from formula handed down orally from generation to generation, the secret of this preparation thus jealously guarded and known only to the inmates of the Harem and the Court Physicians, EL MORIB has been practically unobtainable, excepting by the favored ones for whom it was intended.

Recently, however, a prominent native Arabian Physician, banished from his country for political offenses, and deprived of his vast possessions, has availed himself of his knowledge, to earn a livelihood, besting his station, by supplying this marvellous compound, EL MORIB, to the nobility and wealthier classes of all Europe, who have cheerfully paid him large fees in return for the benefits received.

Content with the large income derived from this practice, this aged physician has respectfully refused very liberal offers made to him for the formula of his remedy, but he has finally agreed with the importing house of THE NOYES-FULLER COMPANY, of Philadelphia, to put it up in convenient form for sale exclusively in the United States, and this firm having the exclusive agency, now offer it for the first time to the American public.

This remedy must not be confounded with the numerous nervous exhaustion, lost manhood, and self abuse remedies which are advertised under a variety of names, as there is absolutely nothing which scientific chemistry has been able to produce, which can even approach the power of EL MORIB, a pure vegetable compound extracted from rare tropical roots and herbs.

EL MORIB is a remedy for one specific purpose, which is to strengthen the vital force and prevent decay in men, its marvellous effects in arresting decay of the vital principles, especially in the male, being unparalleled and never failing, and as its use is individual and over the

East, where strong virile men with large families of descendants are the rule, there must be no doubt, either as to its efficiency or benefits to the general system.

While it is an absolute specific and positively guaranteed to cure the worst cases of nervous debility, lost manhood, or similar weaknesses due to excesses or youthful errors, it is also used with the greatest success as a vitalizer, giving power to all weak parts, and developing and maintaining the full natural vigor of manhood.

It is put up for the American trade in tablet form, and though extremely powerful, it is perfectly harmless and easily taken, one tablet being a dose and doing the work at once, and so evidently as to leave no doubt in the mind of the patient. It will cure you so as to stay cured.

Every package is opened and carefully examined by the importers when received, and is then repacked under their seal and positively guaranteed to cure. It will be sent prepaid, under plain cover, with full and complete directions, on receipt of the price, \$1 per package, or six packages for \$5. Address THE NOYES-FULLER COMPANY, Market and 24th Sts., Philadelphia.
