Scriptural Dog Names.

The other day, when Counsellor Ed Hassett, one of the sons of Stenben county, met Jack Switzer, of Bath, father of the American champagne industry, at the Fifth Avenue hotel, he told him that a friend of his had a new dog. "It's a fighting dog," added the counsellor, "and he wants an appropriate name for it."

"Tell him to call it Moreover," said Jack.

"Moreover!" exclaimed the counsellor, perplexed.

"Yes," replied Switzer, "Moreover, after the first fighting dog on record."

"Never heard of him," declared the counsellor.

"Go read your Bible, then," said Switzer, "and see where it says that 'Moreover, the dog came and licked Lazarus.' I don't know what breed Moreover was, but he must have been a fighting dog or he wouldn't have licked Lazarus."—New York Tribune.

The Treaty Approved.

The senate committee on foreign

relations voted to report favorably the new Hay-Pauncefote treaty, providing for the construction of an isthmian canal. The committee was in session nearly two hours and went over in detail the provisions of the convention. No votes were cast against it, but it was criticized very sharply by Senators Money and Bacon, who found in it many of the objections which they urged against the old one.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Cured Daily in Spite of Themselves.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the cure administered by loving friends and relatives without their knowledge in tea or coffee, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." The HOME GOLD CURE is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. F. 485 EDWIN B. GILES & CO. 2339 and 2332 Market St. Philadelphia. All correspondence strictly confidential.

BRIGHT'S DISEASE.

The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable disease.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting a dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address John J. Fulton Co., 450 Montgomery St., S. F., Cal.

Pullman Ordinary Sleepers.

The tourist travel between the east and the Pacific coast has reached enormous proportions in the last few years, and calls for a special class of equipment. To meet this demand the Pullman Co. has issued from its shops what it technically calls the "Pullman Ordinary Sleeper." These cars appear similar to the regular sleeper, being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillow cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passenger. Each car has a stove for making coffee and tea and doing "light house-keeping," and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up berths, keep the car clean, and look after the comforts and wants of the passengers. In each of the trains which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers." The car is attached to the "Chicago-Portland Special," which goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Granger. Much of the first class travel is being carried in these cars, the rates being lower, and the service being nearly equal to that in the palace sleepers.

For rates and full information, including orders, write to A. L. Craig, G. P. A., O. R. & N. Co. Portland, Ore.

THE NEW WAY

COMMON SENSE FOR WOMEN

Ladies Should Read of the Latest and Most Successful Importation from France.

All-Womankind May Possess Fair Skin, Bright Eyes, Strength and Good Health.

So says Dr. LaBord, the famous French practitioner who has devoted his whole life to the study of women, and has won the highest distinction through his wonderfully successful practice among the first families of Paris.

WOMAN A HEROINE

Woman is a heroine, says the Doctor, and her remarkable endurance and ability withstand the most trying ordeal compels admiration. She is a slave to the natural modesty of her sex which so often causes her to endure the greatest trials, and suffer in silence, rather than consult even her Family Physician, fearing to expose herself to necessary questioning and probably examination.

A LIFE STUDY

Recognizing this fact in his early practice, Dr. LaBord has, by years of study and close application, evolved an entirely new method of treatment for all ailments peculiar to women, which has met with unbounded success, and has Branch Offices, managed by skilled physicians under his personal supervision, now located in every large city in Europe. By his superior methods each patient receives, absolutely free of charge, full and detailed advice especially adapted to her case, thus avoiding all embarrassment or inconvenience, and as Dr. LaBord's remedies are put up in the form of small, dainty wafers, they are easily and taken at any time or place, without attracting attention. This insures regularity in treatment which is most important to a cure, and generally impossible with liquid remedies.

Liquid remedies always contain a large proportion of alcohol, whiskey or other liquors, to preserve them from spoiling. Dr. LaBord's Wafers are a "dry medicine" and are positively free from intoxicants or narcotic drugs of any kind.

MODERN METHODS.

Dr. LaBord's greatest success has been achieved by the use of the "CARBONIA WAFER." This is not a Patent Medicine, but a scientific preparation of "Viburnum" or "CARBONIA" (commonly known as Black Hawberry), and other well known herbs, whose curative properties have been known to herbalists for centuries. "Viburnum," or "CARBONIA," is recognized and prescribed by the leading physicians of the world as the best known specific for Female troubles. The extremely disagreeable taste of these drugs has been overcome by skillful manipulation, retaining however all of their virtues and strength, and these specifics have been so combined and prepared as to form a dainty wafer, easily taken, yet embodying the most accurate and certain cure for Female Weakness, Nervous Prostration, Painful and Suppressed Menes, Irregularity, Leucorrhoea or

Whites, Sterility, Uteration of the Uterus, Change of life in Matron or Maid, Chronic Decline, Urinary Troubles, Nervous Debility, Profuse Flow, Threatened Miscarriage, Palpitation of the Heart, Pains in the Left Side, Cold Hands and Feet, Bearing Down Pains, Backache, Shortness of Breath, Scalding of Urine, Soreness of Breast, Neuralgia, Uterine Displacement, and all those symptoms which make the average woman's life so miserable. It makes child birth easy and SAVES DOCTORS' BILLS.

A VALUABLE FEATURE. "CARBONIA WAFERS" have proven a blessing to thousands of suffering women who have been made well, strong and happy in a surprisingly short time by this wonderful treatment. They will not only cure the most obstinate cases, no matter how long neglected, but are also the only known remedy that can be absolutely relied upon to prevent those monthly recurrences of extreme pain and suffering, needlessly endured by so many of our women.

PURE AND EFFECTIVE. "DR. LABORD'S CARBONIA WAFERS" are purely vegetable, containing no injurious chemicals or drugs, and are positively guaranteed to cure even the most neglected cases, if directions are carefully followed, and the medicine honestly taken.

This valuable remedy, "DR. LABORD'S CARBONIA," is now on sale in America, by the importing firm of Noyles Fuller Company, who have contracted with Dr. LaBord for the exclusive agency of the United States. Consultation Departments, under the supervision of Dr. LaBord are maintained and special advice furnished absolutely free to all who take the treatment. Ladies ordering "carbonia" are invited to write all about their particular case, in detail, and are assured the most sacred privacy as to their correspondence, as no testimonials or letters from ladies are ever published by us.

One box of "CARBONIA WAFERS," containing a month's supply, will be sent, securely packed and prepaid to any address in the U. S. or Canada, on receipt of One Dollar, accompanied by the details of your case. Full and complete treatment, including all necessary medicine, and our written guarantee, Five Dollars payable in advance.

This charge covers all expenses, including free advice and full directions. There are no additional charges of any kind, thus placing the treatment within the reach of all.
