Fastest Rapid Fire Gun in the World.

One of the greatest and most instructive automobile rapid fire guns in the world is now possessed by the United States government. It discharges 500 shots a minute. The first military organization to be equipped with these new field pieces is the Third Battery, New York National Guard, of Brooklyn. Twelve have just been issued to them.

The cost of the set, including carriage and tripod mount, was \$34,000. At the first battery test of the gun 250 shots were fired in 32 1-5 seconds. The gun weighs 50 pounds and is mounted either on a steel tripod or a two-wheel carriage when in action.

One of the legs of the tripod has a sort of a bicycle seat for the operator. Just above is an extended rod having a curved shoulder rest to facilitate the aim and steady the hand. The extreme range is 3,500 yards. A 30-inch calibre is used.

The machine is fed by a belt holding 250 cartridges. The firing continues as long as the trigger is pulled back and is kept up until the belt of ammunition is exhausted. The gun shoots at any angle and can be made to sweep the roofs of houses and tree tops or down an incline.

It outclasses the Gatling and other existing guns in speed, safety and automatic mechanism. No explosion is possible, as the gases are utilized in firing. The loaded shells cannot get clogged in the barrel. Military experts pronounce the gun the most effective and valuable weapon of its type ever designed.—N. Y. Herald.

A Deep Mystery.

It is a mystery why women endure Backache, Headache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phoebe Cherley, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at Adamson & Winnick Co.'s drug store.

In 1720 a certain German prince sent Queen Ulrica Eleonora of Sweden a cradle of solid gold as a christening present for her child. The ship containing the gift was driven by a terrible gale into the shores of Tjorn, where it became a total wreck. The inhabitants of the island massacred the shipwrecked mariners and pillaged the ship, but the cradle, by a curious chain of circumstances, was saved and now lies buried in a lonely part of the island. The story having been by some means revived, the present King of Sweden, (says the Traveler) has offered 10,000 kronen, about 500 pounds, to whoever recovers Queen Ulrica's cradle of gold. Now, needless to say, every inhabitant of the island of Tjorn is seeking for the concealed prize.

A WORTHY SUCCESSOR.

"Something New Under the Sun."

All doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers and drops in paste form. Their powders dry up the mucous membrane causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of CATARRH has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharges and curing all inflammation. It is the only remedy that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES," the GUARANTEED CATARRH CURE, and is sold at the extremely low price of one dollar, each package containing internal and external medicine sufficient for a full month's treatment, and everything necessary to its perfect use.

"SNUFFLES" is the only permanent CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is a ordinary remedy, but a complete treatment which is guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany every package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES," the GUARANTEED CATARRH CURE.
