On last Sunday morning D. M. French of The Dalles died and was buried on Tuesday. The funeral services were conducted by Rev. Skipworth at the family residence. The funeral was the largest ever seen in The Dalles. Every business house was closed from noon till 6 p. m. Tuesday, and the city was draped in mourning in respect to the memory of the deceased. Mr. French was a man well and favorably known all over Oregon, being one of the firm of French & Co., bankers. He was a man who stood high among his fellow men, and in his death The Dalles loses one of its most enterprising citizens.—Dalles Chronicle.

Rev. N. Doane, father of our townsman, Dr. O. D. Doane, and a man who is well known by old timers in The Dalles, having been one of the early pastors of the Methodist church here, was stricken with paralysis at his home at Portsmouth last week. One arm and leg are affected. He has full possession of his mental faculties; but physically is helpless. His friends here, as well as throughout the state, will await anxiously the news of his recovery.—Dalles Chronicle.

Farming is now a better business than ever it was, because farmers are better farmers than they ever were. Science has furnished the knowledge how, and art the means by which hard drudgery may be converted into healthful exercise and healthful exercise into pleasant recreation. And yet there are farmers who still claim an interest in the curse of Adam, and refuse to accept redemption because then they would not have enough to grumble about.—Rural Spirit.

A Deep Mystery.

It is a mystery why women endure Backache, Headache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phebe Cherley, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my household work." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at Adamson & Winnek Co.'s drug store.

A Start in Reeves Pheasants.

Homer Davenport the well known cartoonist and pheasant fancier, through Game Warden L. P. W. Quimby, has promised to give Oregon a start in Reeves pheasants. These birds are considered among the most beautiful of the Oriental pheasants, and it is believed that with a little encouragement they can be given such a foothold in this state that in a few years they will rank among the most plentiful of Oregon's game birds.

Just how many pairs of these magnificent birds Mr. Davenport will stake Oregon with is not known but in order to prevent their possible destruction and give them a start under the most favorable conditions, they will for a time be kept at the farm of Miss Griffith. As soon as they become acclimated and several broods have been hatched, they will be turned loose.

A friend handed us the following clipping from the Goldendale Sentinel: "This story is told of a valley school 'marm' who tried a unique experiment to prevent tardiness. She made this proposal one evening to her scholars: That the first one to school the next morning would receive a kiss from her ruby lips. The next morning on entering the school yard, she was surprised to see not only the entire school awaiting her, but also the board of directors." The friend suggested that possibly it might be a good example for every teacher to follow, and that the Shaniko teacher might start the ball rolling for Wasco county. The entire Leader force is willing.—Shaniko Leader.

There is an old saying that there is a time for everything. This is time for the country newspapers to pad the subscription list and take the same before the county court and swear that every name on the list is an actual bona fide subscriber. Many papers consider they are licensed to stretch the truth in certain cases, but when it comes to making false affidavits we are of the opinion a few prosecutions for perjury would have a wholesome effect.—Vale Gazette.

"Something New Under the Sun."

All doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers and drops in paste form. Their powders dry up the mucous membrane causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of CATARRH has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharges and curing all inflammation. It is the only remedy that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES," the GUARANTEED CATARRH CURE, and is sold at the extremely low price of one dollar, each package containing internal and external medicine sufficient for a full month's treatment, and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is an ordinary remedy, but a complete treatment which is guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany every package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES," the GUARANTEED CATARRH CURE.

Sent prepaid to any address in the United States or Canada on receipt of one dollar. Address Dept. E 485 EDWIN B. GILES & COMPANY, 2330 and 2332 Market St. Philadelphia
