## SCHOOL COLUMN

A PAPER. Issued weekly for and by the V and VI Grades of the Public Schools, of Prineville, Oregon.

ANNA SALOMON, Editor.  
CAROL SMITH, Associate-Editor.

FRIDAY, FEBRUARY 1, 1902.

School began Monday with 76 pupils.

Roy Canning entered the V grade Monday.

Mary Glenn has returned to her home at Maury.

Ceole Smith is being detained from school by sickness.

The attendance has been very light during the past week but a full attendance is expected next week.

Lulu Anderson has not yet returned from her home on Crooked river where she went at the close of school.

The order of the school board in regard to vaccination has been cheerfully complied with by most of the parents of the district.

The pupils have enjoyed the cold weather very much, and will no doubt get enough sleighriding and skating to last them some time.

Mr. Johnny Luckey has had charge of the primary pupils the past week as Mrs. Rosenberg was prevented from teaching by sickness.

A number of the pupils do not expect to remain in school until the close. We are sorry to see this as it will place them behind their classmates when they enter school next year.
