For Direct Legislation.

The following letter from Senator Mitchell is self-explanatory: "Washington, Feb. 26—Hon. W. S. U'Ren, Secretary Direct Legislation League, Oregon City, Or.—Dear Sir: I beg to acknowledge receipt of yours of February 17, just received, in which you state that the Portland Board of Trade has referred to its committee on legislation a request from the Direct Legislation League of Oregon for their indorsement and approval of the proposed amendment to the constitution of the State of Oregon, providing for the initiative and referendum.

"I think you know without any expression from me that I not only am now but have been for years

heartily in favor of this proposed amendment, and I have no hesitation in expressing myself at all proper times and in all proper ways in its favor. I believe a large portion of the people of Oregon favor the amendment; so let us try it.

"I have not the time at present, nor do I think it necessary to go into the specific reasons why I favor this amendment. The reasons entertained by those who favor it are known generally to the people of Oregon.

"JOHN H. MITCHELL."
