D. J. HARRIS, Superintendent. C. E. LYTLE, G. A.

A Cure for Cholera Infantum.

"Last may," says Mrs. Curtis Baker, of Bookwalter, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good, if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this remedy frequently and have never known it to fail in a single instance." For sale by all druggists.

The dental work of Dr. C. A. Cline is too well known in this country to need any praise. He can always be found at the old stand, next door to the First National Bank. Give him a call.
