It is not true that W. J. Bryan is the "Happy Hooligan" of American politics. Both are afflicted with "good intentions", but Mr. Bryan has never failed to profit financially by his mistakes.

The oil of gladness from the horn of plenty is killing the populist mosquitoes. With the anophelis populistica extinct, that violent form of malaria, Bryanism, will become susceptible of cure; but some of the democratic brethren need large doses of quinine.

While export figures show that the commerce of the United States is fourth of that of all the nations of the world, the figures for her internal commerce show that Chicago stands fourth among the ports of the world. Last year, her tonnage, shipped by water, aggregated 14,000,000 tons as against 16,500,000 tons shipped from London.

Senator Jno. H. Mitchell sailed on August 30th for the Hawaiian Islands. Senator Mitchell is chairman of the committee on Islands of the Pacific and Porto Rico, and goes to inquire into and investigate the general condition of the Islands, quality and value of public lands, leasing and selling thereof, granting of franchises, and all other legislative, executive, educational, tax, financial, and other systems. The Senator will be gone about a month.

A man driving a team on the roads of Linn county at the rate of ten miles an hour would be considered as going at a terrific rate for country driving; but Charles Fair, when killed was driving his automobile at the rate of 92 1/2 miles an hour, nine times as fast, faster than it is possible to go on most trains. He had been going at 62 1/2 miles, but that was too slow and he increased the speed. How would you like to meet a demon like that on a country road? It was not only suicidal but outrageous, and it is to be hoped serves as an example.

There is a movement on foot amongst mining engineers and prospectors to have some change made in the Oregon mining laws. They say that Oregon is the only state in the Union so lax in its laws protecting titles to mining properties and protecting prospectors and mine owners. It is 50 years behind the times and operators who are accustomed to working under the English, Canadian or New Jersey laws become disgusted when they go up against the situation here. They say Oregon is unique and occupies a place by itself in the entire world when it comes to mining.—Baker City correspondence in Portland Journal.

Henry L. Shattuck, of Shellsburg Iowa, was cured of a stomach trouble with which he had been afflicted for years, by four boxes of Chamberlain's Stomach and Liver Tablets. He had previously tried many other remedies and a number of physicians without relief. For sale by all druggists.

It requires an internal remedy to remove the cause and effect a permanent cure.
