COUNTY OFFICIAL PAPER.

THURSDAY, OCTOBER 16, 1902.

SCHOOL COLUMN.

Written to advance the interests of education in general.

Written by a pupil, each from the eighth and ninth grade of the Prineville Public School.

Written this week by Guy G. Lafollett and Stella Simpson.

Miss Winnie Cline entered the IX grade Thursday.

Prof. Arle Hampton was a visitor in Mr. Mosier's room last Thursday.

Nancy Whitsett of the VII grade who has been absent for several days has returned.

Misses Maude and Effie Dobbs spent their vacation with their parents on Ochoco.

The literary societies are now holding their regular meetings with good success.

Miss Foster has three new pupils enrolled for this month, Carl and Charlie Orchard and Johnnie Nye.

Prof. Orton is intending to have the VIII grade recite before Miss Vanderpool all lessons that come after recess in the afternoon.

Misses Ceole Smith, Gertie Hodges, Grace Wilson, Etta Prine, and Mary Glenn were absent at different times during last week.

The pupils of Prof. Orton's room were busy decorating for the Teacher's Institute last Friday afternoon.

We have as yet been unable to learn whether or not school will be in session during Fair week. The general supposition is that it will not be dismissed.

Fair week is looked forward to with great interest by our pupils most notably those who are to take active part in the public exercises.

Misses Lizzie Powell and Belvia Templeton and Messrs. Loyd and Roy Powell were visitors in Mr. Mosier's and Prof. Orton's rooms last Friday afternoon.

Misses Winnie Windom and Fannie Osborn spent their vacation at their homes at Haystack. The former was accompanied by her schoolmate, Miss Estelle Simpson.

After some deliberation it was decided to name the society in Prof. Orton's room, "The Advancement Club", a title that is in every way suited for a society of this character.

Mortie Porter, Stanley Morris and Gertie Hardin of the IV grade and Martin Prine, Wilfred Belknap, Willa Combs and Willie Ferguson were absent at different times last week.

The new sidewalk which has been building up the north side of 3d street will soon be completed. It will be heartily walked upon by those pupils who find it convenient to come that way.

We wish to correct the statement made last week concerning the exclusion of new pupils from IX grade after the sixth week of school, but would like to say that it would be almost impossible to do IX grade work after that time has elapsed.

Ralph Poindexter and Ralph Sharp were absent on Thursday last the former having gone to Shaniko on his wheel where he will continue his journey to Portland by rail. He expects to return soon and resume his usual place in the VIII grade class.

Multnomah County's School Superintendent delivered an address during the institute the subject of which was, "Literature in the Home." The following evening the President of the Weston normal talked fluently on the subject of "Sense and Nonsense." The High School was, as he stated, the sense of his lecture.

Will Suffer in any Event.
The small sheepman in Grant county seems to be between the "devil and the deep sea." If the forest reserve is established he must give place to the large stock raiser that has the pull, and if not he will have to face the owners of timber claims, who will want rent for their pasture that the small sheepman cannot afford to pay. It takes several sections to range a band of sheep in the mountains and if the stockman has to pay for each 160 acres it will become a drain on the exchequer he cannot stand.—Moro Bulletin.

Stricken With Paralysis.
Henderson Grimett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. Sold by all druggists.

Stood Death Off.
E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs and purifies the blood; aids digestion, regulates liver, kidneys and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50c at Adamson, Winnek & Co's. drug store.

The Giving of Charity.
If the people of Pendleton are called upon to care for any poor this winter, giving should be done wisely. In any case where a living can be earned nothing should be given. The best that can be done is to provide work. Every man, woman or child who is able should be required to earn a livelihood if opportunities are possible. To accept charity dulls the sense of independence. Every act of giving to the support of any one tends to incapacitate that person for earning his own living and in so far make him a burden on the community. Charity accepted once, makes a second acceptance easier, a third without a twig of conscience and a fourth expected.—Pendleton Tribune.

The excitement incident to traveling and change of food and water often brings on diarrhoea, and for this reason no one should leave home without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by all druggists.

"Now is the Appointed Time"
The O. R. & N. Co. has just issued a handsomely illustrated pamphlet entitled, "Oregon, Washington & Idaho and their resources." People in the East are anxious for information about the Pacific North West—If you will give the O. R. & N. Co. agent at Shaniko a list of names of eastern people who are likely to be interested, the booklet will be mailed free to such persons.

Heroes of the Farm.
A good many men pride themselves as having fought for their country, but we will gamble that some of them never fought as hard and saw as much smoke and fire as the farmers who fought fire in Tillamook county last week. There are heroes on the farm, when the occasion demands, as well as on the battlefield.—Tillamook Headlight.
