THURSDAY, OCTOBER 30, 1902.

Mr. Andrew Carnegie took occasion, when the freedom of the city of Perth was presented to him, to reiterate his well known views on the subject of arbitration and said that it was "a shame and a disgrace for any nation to refuse to accept the good offices of The Hague Tribunal." John Bull refused to submit his differences with Oom Paul to The Hague and Mr. Carnegie does not propose that he shall escape unrebuked.

A great deal of good ink is wasted in comparing the literary output of the day with that of former times. The comparisons are, for the most part, unfair in that they take the run and ruck of the day and compare it with the pick of the past. But aside from this it must be remembered that the tendency of our age is rather toward a high general average of culture, ability and effectiveness than toward the production of dwarfs and giants.

The best physic—Chamberlain's stomach and Liver Tablets. Easy to take. Pleasant in effect. For sale by all druggists.

We are a wasteful people. We are extravagant to the verge of wickedness. It is easy enough to account for this condition on the score of the immense natural wealth of our country, but from now on our duty will not be so much to say why we have been careless as to find some means to restrict our spendthrift disposition. Our waste is seen not only in our conduct of public affairs, but in the narrow things of home. The coal strike will not have been an unmixed evil if we have learned from it economy in the use and choice of fuel.

Henry L. Shattuck, of Shellsburg Iowa, was cured of a stomach trouble with which he had been afflicted for years, by four boxes of Chamberlain's Stomach and Liver Tablets. He had previously tried many other remedies and a number of physicians without relief. For sale by all druggists.

Blankets & Comforters; Trunks & Telescopes—S. J. & Co.

Offer Extraordinary.

Beginning October 15th and continuing until the close of business on the 30th day of November, we will furnish the JOURNAL to new subscribers for the sum of ONE DOLLAR. With the first of November, or sooner if our paper and machinery get here, we will enlarge the paper to a six column eight page, instead of as at present, a five column eight page paper.

Think of it! The largest paper published in interior Oregon outside of Baker City and Pendleton, for ONE DOLLAR.

All of our old subscribers who pay up all arrearages and pay one year in advance, will receive the benefit of this offer the same as new subscribers.

This is a SPECIAL OFFER, and will last only a short time, so avail yourself of the opportunity before it passes.

Call and examine the Mayer shoe at S. J. & Co's.
