

To Down Gambling.

In view of the fact that Section 1968 of the criminal code and Section 3526 relating to unlawful gaming makes it a misdemeanor to carry on any gambling game whether played for money, checks or credits or any representative of value, and the offender upon conviction may be fined in a sum not more than \$500 and shall be imprisoned until the fine be paid.

Also that Section 3552 makes it the special duty of each district attorney, sheriff, constable, city or town marshal to inform against and diligently prosecute any and all persons whom they shall have reasonable cause to believe guilty of a violation of the provisions of this act.

Section 3533 also provides that any such officer who shall refuse or willfully neglect to inform against and prosecute offenders against this act shall be deemed guilty of a misdemeanor.

In view of these facts I would suggest that some such petition as the following be submitted to the citizens of The Dalles and presented to the proper officials:

We, the undersigned citizens of The Dalles, Or., fearless of the consequence by way of repute demand the discontinuance of slot machines and gambling in the city. The future citizenship of the youth of our land cannot by our silent approval be thus further demoralized and we pledge our united efforts to the elevation of the manhood of the coming generations. Citizen, in The Dalles Chronicle.

A. J. Snell wanted to attend a party, but was afraid to do so on account of pains in his stomach, which he feared would grow worse. He says, "I was telling my troubles to a lady friend, who said: 'Chamberlain's Colic, Cholera and Diarrhoea Remedy will put you in condition for the party.' I bought a bottle and took pleasure in stating that two doses cured me and enabled me to have a good time at the party." Mr. Snell is a resident of Summer Hill, N. Y. This remedy is for sale by all druggists.

Pullman Ordinary Sleepers. The tourist travel between the east and the Pacific coast has reached enormous proportions in the last few years, and calls for a special class of equipment. To meet this demand the Pullman Co. has issued from its shops what it technically calls the "Pullman Ordinary Sleeper."

These cars appear similar to the regular sleeper, being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillow-cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passenger. Each car has a stove for making coffee and tea and doing "light housekeeping," and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up bortha, keep the car clean, and look after the comforts and wants of the passengers.

In each of the train which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers." The car is attached to the "Chicago-Portland Special," which goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Granger.

Much of the first class travel is being carried in these cars, the rates being lower, and the service being nearly equal to that in the palace sleepers.

For rates and full information, including orders, write to A. L. Craig, G. P. A. O. R. N. Co. Portland, Ore.
