Elwood Field Fence

The above cut shows our ELWOOD woven wire fence. It is so strong that it stops all large animals and so close at the bottom that the smallest pig cannot get through it.

The largest meshes in the higher sizes are eight inches from center to center, the next size mesh is four inches from center to center, while in the lower part of the fence additional strands are introduced making the smaller meshes just the size of a four inch diamond divided in the middle. We carry this fence in stock in the following sizes: 26 inch, 34 inch and 42 inch, in 10 and 20 rod rolls.

WE FULLY GUARANTEE THIS FENCE

So that you take no chances in buying it. It gives perfect satisfaction every time.
