**A Wonderful Invention.**  
It is interesting to note that fortunes are frequently made by the invention of articles of minor importance. Many of the most popular devices are those designed to benefit the people and meet popular conditions, and one of the most interesting of these that has ever been invented is Dr. White Electric Comb, patented Jan. 1, '99. These wonderful combs positively cure dandruff, hair falling out, sick and nervous headaches, and when used in connection with Dr. White's Electric Hair Brush are positively guaranteed to make straight hair early in 25 days' time. Thousands of these electric combs have been sold in the various cities of the United States and the demand is constantly increasing. Our agents are rapidly becoming rich selling these combs. They positively sell on sight. Send for sample. Men's size 35c. Ladies 50c—half price while we are introducing them. See Want Column of this paper. The Dr. White Electric Comb Co., Decatur, Ill.

**THE DORF'S BLACKDRAUGHT THE GREAT FAMILY MEDICINE**  
Theodor's Black-Draught has saved doctors' bills for more than thirty years. For the common family ailments, such as constipation, indigestion, hard colic, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, sciatica, backache, kidney troubles, constipation, cramps, biliousness, piles, hard colic and headache. Every druggist has Theodor's Black-Draught in 25 cent packages and in mammoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chautauque Medicine Company.  
I believe Theodor's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for forty years I have kept them on food and healthy, with no doctor but Black-Draught. A. J. GREEN, Newark, La.
