Italian Weather in Crook County.

The weather in Central Oregon since the storms of three weeks ago has been of an ideal character. Beautiful, balmy sunshine has caused all nature to put forth an effort to give us a touch of spring. Old residents claim that at no time during their residence in this section have the streams been as high, the weather as warm, or the grass as green, as at the present time. If the condition's continue Crook county stock will go out on the ranges again in the spring in fine condition. And our local weather prophets are agreed that an easy winter is in store for us.

Little Outlays That Count.

Small wage earners secure choice pianos by means of Eilers Piano House easy payment system.

School teachers, railway and dry-goods clerks, stenographers, dress-makers, milliners, mechanics and farmers, take advantage of it.

To any one unfamiliar with our low price, easy payment policy, it would be a matter of no little surprise to find on examining our books, the names of scores and scores of people working on comparatively small salaries who are buying choice pianos, instruments whose names have always heretofore stood for such high prices that the impression very generally prevails they are within the reach only of people of very considerable means.

This, thanks to our small profit, easy payment policy is no longer the case. The great mass of people of the Northwest are accustomed to good music. Nowhere is choice music so highly appreciated. Our people readily recognize the quality of a piano, and are content with nothing but the best. The piano is therefore frequently by far the most costly and highly prized article in the home.

And rightly so. Nothing is a better index of culture and refinement in a family than a good piano.

That a great proportion of the homes of the Northwest are supplied with the very best pianos is largely due to the fact that for years there have been placed before buyers by us the very choicest at prices and on terms that any one can afford. Prices that have enabled them to possess such regal instruments as the great western make, the Kimball of Chicago; the Weber of New York and the Chickering of Boston; the Vose, also of Boston, the Hobart M. Cable, Bush & Goets, Doll, Haddorf, etc. etc.

These pianos and they are the finest and most reliable made, are the favorites of the people of the Northwest. They are universally found in schools and colleges, our lodges and theatres, and in the studios of our leading musicians.

A man makes his purchase, paying all the way from \$350.00 to \$750.00 or more. He then has a piano that will be a source of satisfaction to him for a lifetime. It affords himself and his family the best social and domestic enjoyment, as well as giving to his children opportunity for the very finest musical education, while our system of easy payments enables him to meet his monthly payments without any inconvenience whatever.

Young ladies who are self supporting purchase their pianos in the same manner, securing choice and dainty instruments, and while they are making their payments, they are able also to study music with the best teachers.

In case of sickness or misfortune, all necessary extension of time is cheerfully granted by us.

We are more than glad to have any one, whether it is with an object of purchasing or not, examine our entire stock, and learn our prices and terms. Catalogs giving all details cheerfully supplied for the asking. Send a postal card. Eilers Piano House, the leading, most popular and reliable piano concern on the coast. Big busy stores Washington street corner Park, Portland, Ore; and also at San Francisco, Cal., Spokane, Wash. and Sacramento, Cal.

RECTOR OF ST. LUKE'S,

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

Ashburnham, Ont., April 18, 1903. I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced.

The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-sent remedy.

Respectfully yours,

E. A. LANGRISH, M. A.

Rector of St. Luke's Church. To Chamberlain Medicine Co. This remedy for sale by all druggists.

Burns Freight Passes Through Our City.

G. A. Forbs, of Prineville, and L. N. Thomas, of Lamonta, Crook county, came in this week with two big eight-horse teams loaded with freight.

In all they hauled 29,000 pounds which they loaded at Shaniko. The bulk of their loads was hardware and machinery for C. H. Voegtly, of Burns. The gentlemen were well pleased with the road from Shaniko here and say they will make the effort to haul over it all next summer. The load they brought in this trip made a very considerable saving to the consignee, and arrived in good order. The only misfortune which befell these freighters on their trip was the loss of a valuable horse by Mr. Forbs, the animal falling dead in the harness, presumably from an internal injury caused from overpulling while starting the load.

While in the city both Mr. Forbs and Mr. Thomas added their names to our subscription list.—Harney County News.
