I was prostrated by physicians with no noticeable results. A friend gave me a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could not believe a decided change for the better, and at this time after using it for two weeks, I have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by all druggists.

Congratulations. Mr. John H. Cullum, Editor of the Gasland, Texas, News, has written a letter of congratulations to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup, we have never been without it since that time. We have five children and have given it to all of them with good results. The good fortune of this remedy is that it is not disagreeable to take and our babies really like it. Another thing that it is not dangerous and no risk from giving it to children. I congratulate you upon the success of your remedy." For sale by all druggists.
