An Open Letter.

From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by all druggists.

HEALTH

"I don't think we could keep homes without Thedford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a cholera in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jackson, Mo.

No Doctor

It is necessary in the home where Thedford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Thedford's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, bad blood, headaches, dizziness, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.
