An Open Letter.

From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. Black-Draught Stock and Poultry Medicine. I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything for stock that gives half as good satisfaction. I heartily recommend it to all owners of stock.

Stock stock or poultry should not eat cheap stock food any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Buy a small tin with worth-while stock food. Lard the bowels and stir up the torpid liver and the animal will be cured. If it be possible to cure it. Black-Draught Stock and Poultry Medicine, unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 5-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horse work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It cures the problem of making so much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.
