An Open Letter.

From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by all druggists.

LIVER TROUBLES

"I had Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$10 with doctors. It is all the medicine I take."—MRS. CAROLINE MARLEN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Marblehead, Ill.

One of the greatest blessings a modest man can wish for is a good, reliable set of bowels. If you are not the happy possessor of such an outfit you can greatly improve the efficiency of those you have by the judicious use of Chamberlain's Stomach and Liver Tablets. They are pleasant to take and agreeable in effect. For sale by all druggists.
