**An Open Letter.**

From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by all druggists.

**Bright's Disease And Diabetes**

We desire to place in the hands of those afflicted with Bright's Disease and Diabetes a 26-page pamphlet that is saving human lives. It is not an ordinary pamphlet, such as is commonly used to advertise medicines, but is principally made up of reports of scientifically conducted tests in a large variety of cases, showing 87 per cent of recoveries in these horrible incurable diseases.

The specimens employed in these tests are known as the Fulton Compounds and the results obtained prove conclusively that these dreaded diseases are being cured, over 100,000 a year, starting as kidney troubles, have at last yielded to medical science. The pamphlet is free. Write to the John J. Fulton Co., 400 Washington Street, San Francisco, Cal.

When to suspect Bright's Disease—Puffy ankles or hands; weakness without apparent cause; kidney trouble after third month; frequent urination; (may show sediment or cloudy on standing); falling vision; day drowsiness—one or more of these.

**Beautiful Columbia River Folder.**

The passenger department of the Oregon Railroad & Navigation Company has just issued a beautiful and costly panoramic folder entitled "The Columbia River, through the Cascade Mountains, to the Pacific Ocean." From Arlington to Portland, and from Portland to the Pacific Ocean, every curve of the river and every point of interest are shown, while Mt. Hood, Mt. Adams and St. Helens, perpetually covered with snow, stand out in all their beauty. On the back of the map is an interesting story in detail of the trip from Huntington to Portland, and from Portland to the ocean, not overlooking the beaches and the San Francisco trip by ocean. A copy of this folder may be secured by sending four cents in stamps to pay postage to A. L. Craig, General Passenger Agent of the Oregon Railroad & Navigation Company, Portland, Oregon. By sending the address of some friend in the East, and four cents in postage, the folder will be promptly mailed.
