Bright's Disease And Diabetis
We desire to place in the hands of those afflicted with Bright's Disease and Diabetis a 32-page pamphlet that is saving human lives. It is not an ordinary pamphlet, such as is commonly used to advertise medicines, but is principally made up of reports of scientifically conducted tests in a large variety of cases, showing 87 per cent of recoveries in these hitherto incurable diseases.
The specifics employed in these tests are known as the Fulton Compounds and the results obtained prove conclusively that these dreaded diseases so long fatal (the deaths from Bright's Disease alone are appalling, over 100,000 a year, starting as kidney troubles) have at last yielded to medical science. The pamphlet is free. Write to the John J. Fulton Co., 439 Washington street, San Francisco, Cal.
When to suspect Bright's Disease: Puffy ankles or hands; weakness without apparent cause, kidney trouble after third month; frequent urination, (may show sediment or cloudy on standing); falling vision; day drowsiness—one or more of these.

WINE OF CARDUI Mrs. L. S. ADAMS, of Galveston, Texas. "Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities." By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great woman's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today?
