Bright's Disease And Diabetes. We desire to place in the hands of those afflicted with Bright's Disease and Diabetes a 36-page pamphlet that is saving human lives. It is not an ordinary pamphlet, such as is commonly used to advertise medicines, but is principally made up of reports of scientifically conducted tests in a large variety of cases, showing 87 per cent of recoveries in these hitherto incurable diseases. The specifics employed in these tests are known as the Fulton Compounds and the results obtained prove conclusively that these dreaded diseases so long fatal (the deaths from Bright's Disease alone are appalling, over 100,000 a year, starting as kidney troubles) have at last yielded to medical science. The pamphlet is free. Write to the John J. Fulton Co., 400 Washington street, San Francisco, Cal., and the proper vouchers, within six months from the first publication of this notice. Dated this 23rd day of March, 1905. R. H. BARNETT, Administrator of the Estate of J. H. Barnett, Deceased.

THE FORD'S BLACK DRAUGHT FOR CONSTIPATION. Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisons into his system, he would soon get relief. Constipation invites all kind of contagion, biliousness, indigestion, nervousness, colds and many other ailments disappear when constipated bowels are relieved. The Ford's Black Draught thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics. Be sure that you get the original The Ford's Black Draught. I cannot recommend The Ford's Black Draught too highly. I keep it in my house all the time and have used it for fast low fever, I never give my children any other laxative. If I could never be able to work without it on account of being troubled with constipation, your medicine is all that keeps me up. C. B. McFARLAND.
