I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything for stock that gave half as good satisfaction. I heartily recommend it to all owners of stock.
 J. B. BEISHER, St. Louis, Mo.
 Sick stock or poultry should not eat cheap stock food any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unblock the bowels and stir up the torpid liver and the animal will be cured. If it is possible to cure it. Black-Draught Stock and Poultry Medicine unblocks the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making a much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.
