HEALTH
"I don't think we could keep home without Theford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and strong."—JAMES HALL, Jackson, Ill.
Because this great medicine relieves stomach pains, frees the congested bowels and invigorates the torpid liver and weakened kidneys.

No Doctor
is necessary in the home where Theford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Theford's Black-Draught cures biliousness, dyspepsia, colic, chills and fever; bad blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.
