**HEALTH**  
"I don't think we could keep house without Theford's Black-Draught. We have used it to the family for ever and it is the best of results. I have not had a doctor in the house for years with the exception of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.  
Because this great medicine relieves stomach pains, frees the constipated bowels and invigorates the torpid liver and weakened kidneys.

**No Doctor**  
is necessary in the home where Theford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Theford's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, bad blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels and kidneys so nearly control the health.
