

No Poison in Chamberlain's Cough Remedy.

From Napier New Zealand, Herald.

Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had, and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by D. P. Adamson.

THE FARMER reads what he has printed. The human body reacts to the natural crop of weathers, pain and death if the seeds of disease have been sown by bad habits, carelessness in eating, sleeping and exercising.
