

THE LIGHT OF OTHER DAYS.

Not very many years ago alcohol was used for lighting in combination with other fuels under the name of "Camphene," but it suffered from the same defects as kerosene because it was too dangerous.

Alcohol is generally harmful even taken in the form of medicine, especially to a delicate system.

Dr. Pierce's tissue-rebuilding and function-strengthening plan of treatment is following after Nature's plan.

He uses natural remedies, that is native medicinal roots, prepared by processes brought out by the expenditure of money and money, without the use of alcohol, and by skillful combination in the most exact proportions.

Lead as one of the active ingredients of Dr. Pierce's Golden Medical Discovery, BLACK CHERRYBARK specially exerts its influence in cases of lung and other troubles, and this "preservative" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The names of the medicinal ingredients of this world-famous remedy are: Golden Seal root, Queen's root, Sassafras root, Black Cherrybark, Bloodroot and Mandrake root.

"I have had such a wonderful experience with Dr. Pierce's Golden Medical Discovery that I do not hesitate to recommend it, believing it to be a wonderful medicine to both the diseased and the well."—Miss M. J. Brown, Secretary Emerson Literary Association, 48 Norman Avenue, Apartment 10, New York.

Spring rains during January and a temperature that barely drops to the freezing point at night with a mixture of sunshine, a warm breeze and mercury that feels about 50 to 65 degrees cheerful during the day is not half bad. A report comes from Minnesota that the lumbermen are experiencing some difficulty this winter because with a mean temperature during December of 8 below the weather has not been cold enough to freeze the swamps so that logging can be carried on easily. It is fortunate for Crook county that its logging and other industries do not have to be carried on under pressure of such climatic conditions. If such were the case 'twould be a land of shiftlessness.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Clara Wheeler, of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is such a sure preventative of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by D. P. Adamson & Co.
