In an accident which imprened ; few days ago on the grade west of the sign board on the Powell Buttes road, a team of horses driven by John Tengman and owned by one of his neighbors were so badly crippled that it was necessary to kill one of the animals. Mr. Tengman was driving four horses. The lend team became entangled in the harness while coming down the grade and fell, the wheel horses running upon them. The leaders were extricated from the chains, harness and double trees, but the right hind leg of each was broken. It was found necessary to kill one of the animals and the other is being aided by the use of splints. This is the second accident Mr. Tengman has experienced recently. Only a short time since a horse of his own was strangled during the night by the halter which the animal in some way had got twisted too tight about
