

THE STORM BRINGS JOY

To the household that has seen the joyful days of the weeks and months preceding the advent?

The many mothers find it a time of fearful anxiety because of the knowledge that they are not in good health. They have allowed weakness, pain and drains to accumulate till the health is completely undermined and they are more than discouraged and all because they have been misled by well-meaning friends or malpractised by an inefficient doctor. To all such there is the news that here is a remedy that will heal and not hurt. It was discovered forty years ago by Dr. Pierce who searched Nature's laboratory—the earth, for the remedial agents so liberally provided therein. He took Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root, Golden Seal root, and by extracting, combining and preserving, without the use of alcohol, the glyceric extracts of these natural remedies he has given to the world Dr. Pierce's Favorite Prescription, which has to its credit the enviable and unparalleled record of more than a half-million of cures in the last forty years.

"Only those who have given Dr. Pierce's Favorite Prescription a trial can appreciate what a boon it is to suffering women," writes Mrs. V. J. Seaton, of 35 Elm St., Toronto, Ont. "For two years I suffered intensely from female weakness until life was a burden to me. I had distressing, bearing-down pains so I could scarcely stand up. Had not ladies was very dependent, weak and utterly wretched. My physician gave me treatments but without success. I tried several remedies but obtained no relief until I began to take Dr. Pierce's Favorite Prescription. I began immediately to improve and in four months' time I was as well and strong as ever."

Constipation cured by Doctor Pierce's Pleasant Pellets.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Wheeler, of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is such a sure preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by D. P. Adamson & Co.
