

WARD OFF DISEASE

By fortifying your system with a reliable blood tonic. An alcoholic stimulant would do more harm than good. Chamberlain's Cough Remedy is the best.

With Chamberlain's Cough Remedy you can fight the battle of life successfully against all odds. It is a famous remedy for dyspepsia, and Chamberlain's Cough Remedy has a direct action in promoting the removal of the blood. Both of these are used in Dr. Pierce's Golden Medical Discovery in such a way that skillful extraction, combination and solution without alcohol, that their best effects are secured.

Many years of actual practice convinced Dr. Pierce of the value of many native roots as medicinal agents and he went to great expense, both in time and in money, to perfect his own peculiar process for preparing them both efficient and safe for continuous use as tonic and rebuilding agents.

The enormous popularity of "Golden Medical Discovery" is due both to its scientific compounding and to the actual medicinal value of the ingredients. The publication of the names of the ingredients on the wrapper of every full assurance of its non-alcoholic character and removes all objection to the use of an "alkaloidal remedy."

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cara Wheeler, of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is such a sure preventative of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by D. P. Adamson & Co.
