"Please Smile AND Look Pleasant."

When a woman says "I am racked with pain," the word "racked" recalls the days when they stretched the tender bodies of women on the rack with rope and pulley until the very joints cracked.

Father an attendant saying to the tortured woman, "Please smile and look pleasant."

And yet the woman "racked with pain" is expected to smile through her agony and to make home happy. She can't do it. It is against Nature. Generally speaking, the racking pains of ill-health such as headache, backache and "bearing-down pains" are related to derangements of disorders of the organs distinctly feminine. When this condition is removed the general health is restored, and with health comes back the smile of happiness.

Any woman may regain her health at home without offensive questioning or examinations, by the use of Dr. Pierce's Favorite Prescription. Sick women may consult Dr. Pierce, by letter, free of charge. Such letters are treated as sacredly confidential.

"It affords me pleasure to relate the wonderful merits of your great medicine, especially your 'Favorite Prescription,' written by Dr. J. C. Wender of Woodbury, N. Jersey, L. Box 292. My wife has been using it for some time past, having suffered severely with bearing-down pains, aching in back, and many other complaints peculiar to women. She was very weak, could not do any heavy work or washing but can do all kinds of work now. She is now to become a mother but we do not fear the result (as heretofore) all due to your wonder-worker, 'Favorite Prescription.'

"Your 'Pleasant Pills' are also worth many times their price. I have used them for indigestion and stomach trouble, and have found them to be all that you claim. They are my constant companions—once used, always kept."

Given away. The People's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. The book contains 1000 pages, over 200 illustrations and several color plates. Send 21 one-cent stamps for the paper-bound book, or 31 stamps for the cloth bound. Address, Dr. R. V. Pierce, Buffalo, N. Y.
