THURSDAY, MARCH 8, 1906

POTATOES WANTED: Write to C. W. ELKINS, Prineville Oregon.

George Wiley is in the city from his stock ranch at Post.

E. H. Sparks is in the city from his ranch at Black Butte.

J. F. Morris moved into the residence on Main street which he purchased a short time ago from Mrs. Isaac Moore.

George Meyers, who has charge of the A. H. Lippman & Co's. furniture store at Bend, was in the city during the week.

Registration in the precinct of Prineville this morning numbered 146. Kutcher was a close second with 132.

J. H. Burson is in the city today to make final proof on his homestead. Fred Stuart also made final proof before county clerk Smith.

Mrs. C. A. Luelling and children, who have been spending the past winter with relatives at Milwaukee, returned home last Thursday. Mr. Luelling drove down to Shaniko to meet them.

Since the first of the month when collections began on the 1905 tax roll, the sheriff's office has received approximately \$18,000 on the assessment list. Sheriff Smith expects considerably more than that amount to come in before the 15th of the month when the rebates cease.

In the coming primary election it should be remembered that no voter who has not already registered as a voter of the county will be allowed to participate in the election. The swearing in of voters on that day is prohibited. Consequently all who desire to take part in the primaries should register before the books close.

J. H. Edwards, of the Baldwin Sheep & Land Co. at Hay Creek who has been visiting in England for one time past has purchased some blooded horses in Wales and they were shipped across the water the first of this month. The stock will be sent direct to the Hay Creek ranch, which will now be productive of Shire horses as well as thoroughbred sheep.

Carey Foster is making arrangements to begin the irrigation of his ranch south of the city about the first of the month. The 15 horse-power Fairbanks gasoline engine which he installed over a year ago will be brought into play this year and used to its fullest capacity. During the past fall considerable more land on the ranch has been made ready for seeding and a larger acreage will be in alfalfa this year, requiring nearly as much water as the plant is capable of pumping.

Dates have been set for the wool sales which take place at Shaniko and neighboring points during May, June and July. Sales at Shaniko take place June 5 and 6, 19 and 20 and July 10 and 11. Notice has been forwarded relative to the above from H. C. Rooper, secretary of the Oregon Wool Growers' Association and due notice of any change in the above named dates will be made in the press and by notices posted at previous sales.

E. T. Pierson, editor of the Grauville, North Dakota, Record, who was in the vicinity a few weeks ago and bought land, together with five other North Dakotans, of the Deschutes Irrigation & Power Co., wrote a two column article to his paper, while in Portland descriptive of the country and his impression of it. The article is a good advertiser for Crook county, shows clearly the good opinion the country creates among the new comers and no doubt will be the means of bringing other settlers to this region during the coming spring and summer.

If the plans now being considered by the members of the Ladies' Annex carry through, Prineville yards will be the better

for the efforts which will be made towards beautifying them. The members of the organization at their annual meeting which takes place the first Tuesday of next month will take the matter, which has already been discussed, before the Annex for action and an effort will be made to get the school children and property owners interested in a plan of making general improvements to the lawns and residence property in all over the city. The work is commendable and will no doubt meet with ready approval.
