Politics at Ashwood. Ashwood, Ore., Mar. 17.—To the Editor—It might be of interest to the general public and to the candidates for county offices in particular to know how the registration in this precinct stands at present, Republicans 4; Democrats 11; Socialists 4; Prohibitionists 4; Independents 3; total 66. The writer looks with awe on this showing. Where, Oh where have our Democrats flown? Just a few of the best of us left. But then what can we expect, nearly every mother's son of us voted for Teddy and his administration has been so successful and satisfactory that we are glad we had a hand in his election.

Times are good, wool is high, we will all be Republicans bye and bye. Now you Republican candidates want to reckon with us Democrats in this neck of the woods, the balance of power lies with—?

J. W. ROBINSON.

H. F. Jones, president of the Settlers' Association at Redmond, writes: "Will send you a letter soon about what crops we intend to plant on segregated lands in Crook county in this vicinity. Our Settlers' Association has put forth every effort to have planted only such grains and fruits that experience and experiment have proved the best for our soil and climate. We think we will have some surprises for the older settlers and will demonstrate that the term used "on the desert" was just as applicable to the Garden of Eden."

A Well Conducted Office. J. R. Whitney, State Printer, in asking a renomination at the hands of the Republican voters at the primary election in April, is following a well founded custom of the party in Oregon, that when a state officer performs his duties acceptably and makes a creditable record he is given a second term.

Mr. Whitney is a lifelong Republican and edited the Albany Herald for nearly twenty years, a paper known throughout the State for its unswerving course in behalf of the Republican ticket and candidates nominated by the party. He is a native Oregonian, a graduate of the University of Oregon, and a practical printer.

Since assuming charge of the state printing office he has devoted his entire time and attention to the affairs of the office, and with his long experience in the printing business he has been able to give the State a good, clean, businesslike administration.

Mr. Whitney is conducting a straightforward primary campaign, and his many friends are confident that he will be renominated by a large majority. Independence (Polk county) Enterprise.
