

A call has been issued to the members of the Crook County Livestock & Agricultural Association to meet in Prineville July 21 to perfect plans for holding a county fair this fall.

The Normal School Institute is now being held in Prineville for the first time with a fairly good attendance. Many young teachers are availing themselves of the opportunity to better qualify themselves for their profession.

A slip of the pen made us say when writing up the range fees a few weeks ago that "cattle 20 cents a head, to run from June 15 to October 31; all over 70 head to be charged for at the rate of 10 cents."

County School Superintendent Dinwiddie wishes to call the attention of school directors to the county library apportionment. If the directors wish to make the selection they must do so before August 10th.

The Normal Institute.

The four weeks' Normal Institute to be held at Prineville began its work July 9th with a fair attendance. Those present are:

P. C. Fulton, Madras; Marian Weist, Bend; Ethel Smith, Lamonta; Irene Barnes, Prineville; Nora Kizer, Prineville; Floy McGhee, Lamonta; Mrs. Foster O'Neill, Miss Morris, Post; Maude Dobbe, Prineville; Lena Jones, Prineville; Miss Haradin, Bend; Rose Gibson, Post.

Considering that this is the first work of the kind undertaken in Crook county the county superintendent is highly gratified with the result. When the advantages of such an institution are better understood there will no doubt be a much larger attendance.

Redmond Items.

The D. I. P. S. A. organized a ladies auxiliary to the association on Saturday night. Mrs. Rose Welch was elected president and Mrs. E. C. Parks secretary.

Mr. and Mrs. C. C. Hon and two children were visiting in town Wednesday.

Mrs. Estes is offering her entire stock of Spring and Summer Millinery at greatly reduced prices. This is done in order to make room for the fall stock.

Chas. Bernard, of The Dalles, was in Prineville Thursday en route to Suplee.

T. F. McCallister & Co., are offering reduced prices on all lines of Spring and Summer Millinery in order to close those lines out to make room for the Fall styles.

Clean Up.

Chicago has a cleaning up movement that is not confined to any one day. One of the leading civic improvement organizations has proposed a set of rules to be followed by the people of that city and they have received wide approval.

Pick up at least one piece of paper from the street every day. Clean your own backyard and porches and try to interest the boys and girls next door.

Keep at least one flower in your window.

Be smiling and clean yourself and your neighbor will follow suit.
