### Additional Locals.

E. C. Smith and Will Vaughn, horse-buyers from Eugene, are in Crook county looking for good sound horses for the California market.

The following subjects will be preached upon at the Methodist church next Sunday by the pastor. At 11 a. m.—"Self or God." At 7:30 p. m.—"Pride, the Destroyer." A cordial welcome at all services.

There will be a grand opening of fall millinery at the new quarters of T. F. McCallister & Co., on lower Main street, Saturday next, September 29. The ladies of Prineville are cordially invited to call and inspect our stock.

Rev. M. J. Hickey desires to announce that he will be in Prineville Wednesday, October 3d, and will celebrate mass at 8 o'clock Thursday morning, October 4th. He wishes that all Catholics scattered throughout this district should act upon this notice and tell their friends of the meeting. He will be at Bend Sunday October 7th. Mass will be held there at 9:30 a. m. Rev. Mr. Hickey desires all the members of his faith living in Prineville, Madras and Bend to send their names and address to him at Wasco, Or.

The members of the Epworth League of the Methodist church are going to give a straw ride on Friday evening, October 5. Wagons will leave the Methodist church at 7:30 and 8 o'clock so as to accommodate all who wish to go. The young ladies advertise "A ten-mile straw ride by moonlight with a social at the Ketchum farm." There will be a small charge for the trip the proceeds going to the benefit of the Epworth League.

W. W. Reese telephoned over from Baker Thursday that the Dixie Meadows mine located on Dixie Butte twelve miles north of Prineville has been sold. The parties name nor the consideration were given out nor was the news confirmed by any of the owners who reside here. Some eastern parties have been figuring on the property and while here a few weeks ago were so favorably impressed that the news of their purchase does not come as a surprise. The Dixie Meadows is without question the best mine in the Quartzburg district if not in all Eastern Oregon. Extensive development has created immense ore reserves and it will only take the intelligent and careful expenditure of a little capital to make the name Dixie Meadows known all over Oregon as a gilt-edge producer.—Prairie City Miner.
