Study Music at Home

The International Conservatory

Investigate Our Methods of Music Ask for Our Pupils' Opinions

Portland, Oregon
Dallas, Texas; St. Louis, Mo.; Atlanta, Ga.

Largest Conservatory of Music in America

By the aid of the most wonderful device ever conceived by man we can teach more music in a given time for less money than any other Conservatory or teacher.

The Harmonic Time Revealer
Makes the study of music a real pleasure. We do away with the drudgery. With this you can master the scales in a few minutes' time. One of our pupils said: "It is like reading from a printed book, it is so plain and simple."

Our Methods are Successful
Have you a good teacher? Have you any teacher? In either case it would be well to investigate. We can teach you at home. Improve your odd minutes and become a musician. We bring a Conservatory education to your door.

Our Pupils are Satisfied. What better proof could you ask for? We have some Twenty-five Thousand Pupils and thousands of endorsements. Right here in your own county we have a large number of students. This number is increasing rapidly as every day several are enrolling.

Why Not Investigate? Write our Portland branch, or better still Mr. E. F. Scott, formerly with the Eilers Piano House in this county, is now representing us and if you would drop him a card at Prineville, he would be glad to call and see you. Do this. You will not be placing yourself under any obligation.
