BY REQUEST OF The People of Crook County

WHEREAS, we have received many hundreds of letters from the people asking us to extend our great gigantic sale, which was advertised to close Saturday, Jan. 19. We have given this our careful consideration and be it resolved, That we will continue this sale for six more days, closing Saturday, January 26.

The people well know of the many thousands of shoppers who have in the past gobbled up our enormous stock which we placed upon the market at such sensational prices that from the very hour the doors were opened the crowds were so heavy that time and time again we were obliged to add extra salespeople to the tremendous regular force already engaged to wait upon the many bargain seekers who availed themselves and bought their entire winter clothes. Everyone well knows of the untold opportunities that result in a sale of a stock of merchandise so immense, where thousands and thousands of dollars are involved. Hundreds of people daily bought supplies to cover their needs for the entire year, and in fact many came from a distance of from thirty to forty-five miles.

The results presented are brief. There are at the present time many and many thousands of dollars' worth of goods accumulated in the various sections. In clothing for men, women and children, men's women and children's hats and furnishing of every description, Dry Goods, Groceries, Hardware and Implements. While many hundreds of suits have been sold and, in fact thousands of dollars worth of merchandise has been distributed into the people's homes at unheard of prices, yet we find that we still have an immense portion of the stock on hand which is intact.

In view of the fact that we have received these many hundreds of requests from the people, we have resolved to have this entire intact stock included with the remnants and odds and ends of every description throughout the various departments which have accumulated. We have replaced and rearranged it in lots. We give you an idea of what you can save by quoting prices on a small portion of this stock; give it your careful consideration.

You have an entire week to come down and select your needs. It will pay you to study well and list what you may need during the year. Our old reputation and previous telling you of the great success of this sale should beyond doubt dissipate any hesitation on your part as to whether or not these bargains can be bought as advertised. There is only one avenue to success—that is, advertised bargains must be sold, and these and many more bargains await your coming. This is the truth, and if you call we know that you will be as well satisfied as the many thousands who have been satisfied during the past ten days.

AND NOW, THEREFORE, in offering these bargains to the public for six days more, we emphasize again that we strictly do as advertised. The past attendance at this gigantic sale, and the great interest the public has taken in our many bargains offered to hundreds of anxious shoppers insures the fact, that thousands will await the appointed hour of the day to open, and in six days more a sale will be recorded in commercial history as the most satisfactory and greatest bargain sale ever launched, greater in the sparkling array of distinct styles, but greatest in the bewildering low prices asked, long to be remembered by the many satisfied shoppers.

We Therefore Urge it as a Duty Upon Every Person to be Here in These Six Days

Here Are The Six Days
