**CAUGHT IN
A BLIZZARD**

A party of timber estimators consisting of D. N. Janney of Seattle, William W. Reives and Earnest Kauffman of Portland, with three compassmen and three other assistants, passed through Prineville this week on their return to Portland.

They report a thrilling experience while out in the woods in the north end of Klamath county a few days ago. They were on foot cruising and estimating some timber bought by the Lacy Lumber Company when overtaken by a terrible blizzard. The storm came up so suddenly that little time or heed was paid to it until it burst upon them in all its fury. Just what to do was a most pressing question. Whether to try and reach camp or strike out for Silver Lake was the dilemma in which they were placed. They decided for Silver Lake and after wading in snow to their armpits in places and almost exhausted from exposure they succeeded in reaching a place of safety. Their camp equipment and some valuable instruments were left behind in the storm.

Register Soon be Appointed.

Appointment of a register and receiver for the land office at The Dalles is imminent, according to the opinion of those who have been watching the condition of things there says the Portland Journal. The term of office of Miss Anna M. Lang, now receiver, will expire within the first week of April, her term having commenced close to April 3. It is taken as a safe guess, therefore, that the next week will see the announcement of the officials to assume charge of the office in place of M. C. Nolan, deceased, and Miss Lang, whose term will expire.
