How to Ward Off Old Age.

The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and occupation, and when any disorder of the stomach appears take a dose of Chamberlain's Stomach and Liver Tablets to correct it. If you have a weak stomach or are troubled with indigestion, you will find these Tablets to be just what you need. For sale by D. P. Adamson.

Relief from Rheumatic Pains.

"I suffered with rheumatism for over two years," says Mr. Roland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk. At other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by D. P. Adamson.

\$8.50 PUNCTURE-PROOF TIRES ONLY

Regular Price \$9.50 per pair. To introduce We Will Sell You a Sample Pair for Only \$4.80 (CASH WITH ORDER) OUT THE AIR. NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTIVE: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which stores up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of this, specially prepared fabric on the tread. That "holding back" sensation commonly felt when riding on soft or soft roads is overcome by the "best weave" tread which prevents all air from slipping squeaked out between the tire and the road. One hundred pairs of these tires is \$8.50 per pair, but for advertisement purposes we are now selling them at the price of only \$4.80 per pair. All orders shipped same day letter received. We ship C.O.D. on approval. You do not pay a cent until you have examined our sample pair.
