DESORIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punchives without allowing the air to escape. We have hundreds of letters from satisfied continuers stating that their tires have only been pumped up once of twice in a whole season. They seem to more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalic or soft roads is overcome by the patient "Backet Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these view is 55,00 per pair, but for advertising purposes we are making a special factory price to the rider of only 4, 80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price 84.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). These to be returned at OUE expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank.
