Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year. Notice the thick rubber tread "A" and puncture strips "B" and "D," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

Seventy-live Thousand pairs sold last year.

DESORIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes perous and which closes up small punctures without allowing the air to escape. We have becomes perous and which closes up small punctures without allowing the air to escape. We have been determined the fitters from satisfied customers stating that their tites have only been pumped upone or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Rodding back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent. "Backet Weave" trend which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$5,00 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.50 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a ceat until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.50 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement.
