Deaf Made to Hear
Lame To Walk

Opera house packed, nothing like it ever seen in Prineville before.

Dr. Madison and staff of the Medical Institute of Liverpool, Eng., and Crawfordsville, Indiana, branch office Portland, Oregon, lectured to a large audience Monday night. The doctors are agreeable and forceful speakers and held the audience in close attention while they explained the theory and usefulness of their wonderful discoveries.

Many promises were made which seemed utterly impossible to believe and when the doctor invited those who were hard of hearing to come forward and be cured, H. Odell, A. B. Roller and Mary Marker responded to the call and were made to hear in a whisper in a few seconds.

The doctor then called for cripples on crutches and John W. Snyder responded.

He was afflicted with that giant disease, rheumatism, for 12 years, and he was unable to walk except with crutches and great difficulty and pain. He was operated on with medicine for 20 minutes and walked off the stage free from pain and stiffness, followed by the wondering crowd, while the doctor broke his crutches. To say the audience was astonished and wild would be putting it mildly. The doctor was warmly congratulated. It seemed like a dream but it was real. Ministers and doctors were in the audience and they seemed as well pleased as any.

They treat the following diseases: Paralysis, catarrh, deafness, big neck, bladder and kidney diseases, rheumatism, scrofula, loss of manly vigor, female diseases, bowel complaint, dizziness, dropsy, heart, liver and nerve diseases, eye worm, sore legs, all ear and eye diseases, cancers, piles and fistula cured without pain, and all kinds of chronic diseases treated.

DR. MADISON

The Great American Specialist

The doctor again performed wonderful cures, the stage being filled with old and young, anxious to be treated. C. W. Sping and Ella Hoover came forward and were made to hear a whisper in a few seconds. The Dr. called for cripples on crutches and Henry Grimes, who was helpless from that giant disease, rheumatism, and was unable to walk except with crutches, was operated upon with medicine for 20 minutes and walked home free from pain and distress, while the doctor broke his crutches—again proving new and advanced methods of treating chronic disease. His office is thronged from morning till night. A positive cure assured on all cases accepted. Delays are dangerous.

The Exact Thing Required for Constipation

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," says R. S. Webster & Co., Toronto, Ontario, Canada. For sale by D. P. Adamson.

Government Gives Relief

Secretary Cortelyou made the announcement Monday that as a means of giving relief to the financial situation, the treasury would issue \$50,000,000 in Panama bonds and \$100,000,000 certificates of indebtedness or as much thereof as may be necessary. The certificates will run for one year and will bear 3 per cent interest. President Roosevelt has heartily endorsed the plan in the following letter:

The President's letter to Secretary Cortelyou is as follows: "The White House, Washington, D. C., Nov. 17, 1907.—My Dear Mr. Cortelyou: I have considered your proposal. I approve the issue of the fifty millions of Panama bonds which will be immediately available as the basis for additional currency. I also approve the issue of \$100,000,000, or so much as you may find necessary, of \$50 3 per cent interest-bearing government notes, the proceeds of the sale of which can be at once deposited by you where the greatest need exists, and especially in the west and south, where the crops have to be moved. I have assurance that the leaders of Congress are considering a currency bill which will meet in permanent fashion the needs of the situation, and which I believe will be passed at an early date after Congress convenes two weeks hence.

"What is most needed just now is that our citizens should realize how fundamentally sound business conditions in this country are and how absurd it is to permit themselves to get into a panic and create stringency by hoarding their savings instead of trusting perfectly sound banks. There is no particle of risk involved in letting business take its natural course and the people can help themselves and the country most by putting

into active circulation the money they are hoarding.

"The banks and trust companies are solvent. There is more currency in the country today than there was a month ago, when the supply was ample. Since then \$55,000,000 in gold has been imported and the government has deposited already \$60,000,000. These are facts; and I appeal to the public to co-operate with us in restoring normal business conditions. The government will see that the people do not suffer if only the people themselves will act in a normal way. Crops are good and business conditions are sound, and we should put the money we have into circulation at once to meet the needs of our abounding prosperity.

"There is no analogy at all with the way things were in 1893. In November 30, of that year, there was in the treasury but \$161,000,000 in gold. On November 14, of this year, there was in the treasury \$904,000,000 gold. Ten years ago the circulation per capita was \$23.23. It is now \$33.23. The steps that you now take, the ability of the government to back them up, and the fact that not a particle of risk is involved therein, give the fullest guarantee of the sound condition of our people and the sound condition of our treasury. All that our people have to do now is to go ahead with their normal business in a normal fashion, and the whole difficulty disappears, and this end will be achieved, if each man will act as he normally does act, and as the real conditions of the country's business fully warrants his now acting. Sincerely yours,

"THEODORE ROOSEVELT."

These bonds are to be issued in small denominations and are intended primarily for the small investor who would otherwise hoard his money. They will also be used as a basis for national banks to increase their circulation. This expedient is but temporary. It is expected that congress will enact legislation that will give permanent relief.

We have used Chamberlain's Cough Remedy in our house for seven years, and it has always proved to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough. Rev. James A. Lewis, Pastor Milaca, Minn., M. E. Church, Chamberlain's Cough Remedy is sold by D. P. Adamson.
