

ELECTION AND BANQUET

On Monday afternoon, December 2, the annual election of the fire department of the city of Prineville took place. B. F. Johnson, the present incumbent, was re-elected chief, and A. B. Roller, assistant chief.

The election of officers was followed by a banquet in the evening at the firemen's hall. Besides the firemen of the city there was invited the members of the city council and representatives of the press.

The address of the evening was made by Chief Johnson. He complimented the firemen on their efficiency and strict adherence to duty during the past year. There were but eleven fires and the loss of property was small. This in part was due to the prompt response to fire calls by the department and to the efforts of the city council in cleaning up fire-traps around town. Alleys were made passable and rubbish heaps were carted away. The chief commended the city council for its hearty co-operation for the betterment of the service. New hydrants were put in on Main street during the year and fire signal boxes will be installed in every ward some time within a couple of weeks. The necessity for a chemical engine or hand fire extinguishers was dwelt upon. Much time and valuable property could be saved by the employment of chemicals. In case of a fire in a big store the price of an engine could be saved in one fire. Another matter that came in for considerable criticism was the lack of interest taken in the department by the average business man and property owner. These people, said the chief, have vastly more at stake than the young men who have volunteered to fight for their property. He thought they should show some appreciation of the benefits conferred.

Dr. Rosenberg, on behalf of the council, thanked the department for the privilege of being present and complimented the boys on their record for the past year. He assured the department that the council would promote in every way possible the efficiency of the fire service.

After the speech making the boys sat down to a fine spread of turkey, chicken and oyster cocktails. Three cheers and a tiger were then given the Prineville fire department after which the company broke up.

Card of Thanks

For their kind assistance and sympathizing words, we desire to extend our heartfelt thanks to kind friends and neighbors who so graciously lent their aid during the sickness and death of our little loved one. We also thank the dear ones for the sweet flowers so generously given.

SALNAVE BOUND OVER

On Saturday G. D. Salnave, alias Bert Salnave, the stage driver, was given a hearing before U. S. Commissioner Ellis of Bend and bound over to appear before the United States grand jury at Portland.

Salnave was charged with violating the postal laws, which provide that "no person shall print, write, or cause to be printed or written, lewd, obscene or matter of like nature and deposit same in a postoffice for mailing or delivery," etc.

The evidence produced was sufficient to hold the prisoner for the grand jury. His bail was placed at \$500, in default of which he was locked up pending the arrival of officers from the federal court.

The home of Dr. Rosenberg had a narrow escape from destruction by fire Sunday. The doctor happened to enter the sitting room when the blaze started and had the fire out before much damage was done. The loss is estimated at from \$50 to \$75.

A quiet Thanksgiving day wedding came off last Thursday evening in the parlor of the Poindexter Hotel when Miss Rhoda M. B. Ellmaker and Arzell J. Arnel, both of Lamonta, were united in marriage by the Rev. C. A. Housel. The happy couple will make their home at Lamonta.

Rev. C. A. Housel, the pastor, will preach both morning and evening, at the Methodist church next Sunday. The subject at eleven o'clock will be "A Withered Hand," in the evening, "The Hell of the Bible" or "Predition's Place in Perfect Judgement." This will be the first of a series of Sunday night sermons on "Sin and Its Effect." Everybody is invited.

The various Sunday schools of Prineville have arranged for a general house to house visitation for the purpose of interesting every one in Sunday School work. Committees have been chosen from each of the churches, and on Saturday afternoon, December 14, will cover the entire town, visiting every home. It is hoped to arouse an increased interest in Sunday school and church work, as well as to enlist those who have not as yet identified themselves with any religious work in the community.

Instructions were received Tuesday evening from Portland by Mark Davenport to immediately shut down operations and discontinue all work on the Davenport-Stanley ranch. Consequently the men were all laid off. Looking after the stock and other necessary work will be done by Mark Davenport and his two nephews. Work had just been commenced on a large stock shed which was intended to house a large number of blooded cattle that the Davenport-Stanley people bought near Hood River last spring. These cattle would have been brought here soon after the completion of the big shed. How long operations will be suspended on this big ranch is not known.—Bend Bulletin.

"A Deutsche Market"

The ladies of the Presbyterian church will hold "A Deutsche Market" in the old bank building, on Friday, December 6. For the benefit of those that never attended anything of the kind we append the following information, written by one of the ladies:

You enter the room with your mate, A lady will hand each a plate, Just turn to the right a lady so neat, Serves you one of our five kinds of meat, Move on to the next the sign having read, Which tells you "White and Brown Bread." Then pickles cheese and baked beans, Must not be left out by all means, A helping of salad you take, Just for your stomach's sake, Keep on to the south again you buy, For here we serve cookies, dough-nuts and pie, Now turn to the east and make the last plea, This is the booth for coffee, cocoa and tea, Come have a seat you paid as you went, And thirty-five cents is the money you spent, 5 p. m. to 9 p. m.

A business meeting of the Ladies' Annex was held Tuesday afternoon. A committee was appointed to see about having a fire escape attached to the building which will be attended to at once. A committee consisting of Mesdames King, Brink and Hudson was appointed to arrange for a watch party New Year's eve. After serving light refreshments the meeting adjourned.

The well drilling outfit that has been in use for several months at Redmond and the Baldwin ranch near Bend, has been taken to Powell Buttes. The owners are drilling a well on the M. Niswonger place on the west slope of the Butte and have reached a depth of 100 feet going down about 20 feet a day. The indications for water at this point are good as it is near the old river bed and the formation suggests that artesian water may be had in that vicinity. If the well drilling prospect is successful Mr. Niswonger says that he will lay out a part of his place to town lots and is confident that he will have a town there.

Horse Racing

A number of race horse men got together the other day and decided to hold a meet at Prineville on January 1st and 2d. Nearly all the speedy ones that were at the Crook County fair are here and a lively time is expected. Besides "Brandy," "Patsy Brown," "Seventy," "John H.," and "Masters," there will be some good ones from Paulina and other parts of the county.

There will be two races each day. On the first day there will be a three-eighth mile and repeat for a purse of \$100. The second event will be a half-mile dash for \$100.

On the second day there will be a quarter-mile and repeat for \$100. The second event will be a five-eighth mile dash for \$100. A quarter-mile saddle horse race is also scheduled for this day.

Ten per cent at entrance; five to enter and three to start. Bedell and Buchanan are the managers.

DIED

At Culver, November 27, 1907, Mrs. S. A. Springer, aged 83 years. Mrs. Springer's death was caused by a stroke of paralysis. She was born in Preble county, Ohio, on August 28, 1824. She was married to G. W. Springer in February, 1849, and with her husband crossed the plains with an ox team in 1850. They lived in Portland a year and then settled on a donation claim in Polk county. In 1880 she lost her husband.

It was in 1887 that Mrs. Springer came to make her home in Crook county. Since that time she has been identified with the growth of the county. Her life has been a long and busy one. She reared her own monument while she lived in the hearts of all who knew her. Her life was completed, if work well done constitutes completion. Her Christian life was beautiful from its beginning until its close in a ripe old age. She joined the Christian church in her youth and has always been a devout member of that denomination. Mrs. Springer was buried in the Grey Butte cemetery November 28. She leaves one son and two daughters—G. Springer of Culver, Mrs. J. C. Wilson of The Dalles and Mrs. C. W. Young of Tacoma.

Death of John C. Gillenwater

The death of John C. Gillenwater on November 29 came as a sudden shock to all who knew the young man. There was but a brief illness. It seems that the day before he died he was attacked with nausea. The case was reported to one of the doctors with a request that some medicine be sent to relieve it. The unfortunate man kept getting worse and the doctor was sent for but the young man died before medical attendance reached him. Just what caused his death nobody seems to know. He was always regarded as the very picture of health. He was buried from the M. E. church in Prineville on December 3. Rev. W. P. Jinnett preaching the funeral sermon. The young man leaves his mother, Mrs. W. P. Gillenwater of Boise, Idaho, two brothers—E. E. Gillenwater of Post, and W. H. Gillenwater of Albuquerque, N. M., and one sister—Mrs. Ida Gillenwater of Boise, Idaho.

C. W. Freeman of Lamonta was in town Saturday.

SHERWIN WILLIAMS PAINTS & VARNISHES

An appeal to the pride of the owner of a home

Everyone who owns a home is anxious that that home shall make the best appearance possible. Two things are necessary to produce satisfactory results in painting and varnishing a home:

First—A satisfactory color scheme. Second—Paints, varnishes, stains and enamels of such good quality that they not only give the exact color effect required, but are sufficiently durable to keep up the attractive appearance of the house in spite of the wear and tear of living in it.

These are offered by the Sherwin-Williams Paints and Varnishes. The Sherwin-Williams Co. not only make every kind of paint and varnish used for a house and the best quality of that kind, but they make suggestions for the selection of colors, varnishes, stains and enamels, so that any given idea can be carried out, and carried out with the best materials.
