

Local Mention

Mrs. Emma Prose is putting in a new millinery stock. She will be found at the old Ben Allen place, across from the Reddy.

J. E. Stewart and wife, Mr. and Mrs. Carlson, D. F. Stewart and Mrs. Michel came in by private conveyance from Shaniko Friday.

E. T. Slayton delivered 125 head of beef steers to the Union Meat Co., at Shaniko this week. He received about \$4.25 per hundred for them.

L. A. Booth has returned from Klamath county after disposing of his homestead filing. He has taken a position in the Crook County Bank.

Forest Supervisor Ireland and his assistant, B. F. Johnson, have moved their office into permanent quarters in the Adamson building. Mr. Ireland says they are at home to all who are interested in forest matters in room 16 and 17.

The Cascade National Forest has again been divided and a central division established with headquarters at Eugene, Oregon. Clyde R. Seitz is forest supervisor of the new creation and will begin work at once on the systemizing of his new field.

The Ladies Aid society of the Methodist church will hold their Easter sale in the Moore building, next door south of the Crook County Bank, on April 11th. It will be open afternoon and evening. Do not forget to come and cast a vote for the finest baby in the contest.

The L. O. O. F. lodge will improve the vacant ground on the north and west sides of their building on second street and will plant grass, trees and shrubbery sufficient to convert the premises into a park for their own benefit. This is a move in the right direction.

C. S. Bartrum, supervisor of the southern division of the Cascade National Forest, will be here some time the last of this month and will be present at a meeting of stockmen and will attend to the allotment of ranges in his territory. The date decided upon is March 28. Paste this date in your hat.

Supervisor A. S. Ireland will hold civil service examinations at his office in Prineville some time in April, at which time all applicants for positions in the service will be given an opportunity to demonstrate their fitness for the work. This is a progressive branch of the government service and one in which able-bodied men are needed.

At a joint meeting of the literary societies held in the assembly room of the high school last Friday afternoon, Mr. J. N. Williamson addressed the students taking for his subject, "Stray Thoughts, or 'Odds and Ends.'" He first spoke on the "temperature of the world," giving some of his own experiences in picking out the pessimist; then upon "poetry," telling of his first attack of "poetic fever," and lastly about "politics." From beginning to end the talk was full of interest and the listeners enjoyed every word.

Walter O'Neil is at O'Neil this week.

J. H. Haner left yesterday for a trip to Lakeview.

John R. Howard was a visitor from Lower Bridge Tuesday.

For genuine bargains, notice the list that J. E. Stewart & Co. are advertising for Saturday 21st.

C. C. Hon has received an appointment to the forestry service as ranger. His headquarters will be at Howard.

Joe Smelzer returned Sunday from Reno, Nevada, and has resumed his old position in the firm of Ellefson & Smelzer.

Mrs. Estis announces her millinery opening for next Wednesday and Thursday, March 25 and 26. See her ad.

Farmers are all busy with spring plowing and seeding and all report the ground in fine condition for such work. Not so bad for March.

The friends of Miss Cora Ferguson will be pleased to know that the young lady has about recovered from her sickness and will be back again shortly.

Clyde Kinder brought the massive iron roller that was used by the D. I. & P. Co. for leveling the automobile road into town Tuesday and it will be repaired and used in preparing the race track for the May race meeting.

Superintendent Adrian Crooks has been busy all week remodeling the old fire alarm system that was installed several years ago and will soon have it in working order. Boxes are being constructed which will be placed in different parts of the city. A new gong has been installed at the power house.

The Prineville brass band is undergoing a reorganization and will begin practice as soon as their instructor, Mr. Riddle, arrives. Uniforms are to be ordered and the boys propose to get down to work at once in order to be able to do their part at the coming Fourth of July celebration and on all public occasions.

G. W. Slayton was up from his ranch five miles west of town Monday attending a meeting of the Rye Grass Irrigation Co. Mr. Slayton has his place prepared for the spring irrigation and will have it flooded in a few days. Alfalfa which has been green all winter, will begin to grow rapidly by April 15, and much depends on its early irrigation.

A movement is on foot by the cemetery association to plant trees and grasses in the Masonic and I. O. O. F. and Workmen cemeteries north of town. They propose to provide some means of watering the premises and will no doubt carry out their present plans. Water will be provided either from the water tank which is about two thousand feet distant or by windmills, as the committees see fit. The movement is a commendable one and should be carried through at once.

For oranges, lemons and bananas, call on Mrs. Cyrus.

C. J. Johnson left today for his ranch on Crooked river. Mr. Johnson says he will turn most his cattle on the range as grass is good and he thinks the winter is over.

The many friends and neighbors of Mrs. N. F. McCain gave that lady a pleasant surprise last Thursday evening upon her return from a visit to her old home in Illinois.

Linn Nichols and Z. Stroud, who have been busy the last three months sinking a shaft on the Thron Thronson mining properties at Howard, struck a vein of ore last week that will average about \$75 to the ton of free milling ore.

Services at the Methodist church next Sunday will be as usual, with the pastor in the pulpit both morning and evening. The subject for evening will be "Choosing a Wife." This is the companion sermon of the one delivered March 1, on "Choosing a Husband." Special music. All are invited.

There was quite a little celebration at the home of Mrs. Alex Thomson last Saturday evening. This was the natal day of Dr. Dunsmore and Mrs. Millican, and also the date of the wedding anniversary of Dr. and Mrs. Belknap, so Mrs. Millican determined to have a sort of joint celebration to commemorate the occasion. "Flinch" and refreshments helped to pass a very pleasant evening.

A Cozy Church.

The Presbyterian church has been thoroughly refurbished this week, including a fine new carpet, covering the entire floor. Folding opera chairs have been installed with seating accommodations for one hundred and fifty, and a new pulpit, the latter the gift of the Sunday school. An eighteen-light electric chandelier and two side bracket lights, with a shaded pulpit lamp are the gift of Mr. and Mrs. Hugh Liester to the church.

The balance of the furnishings have all been bought by the Ladies' Aid Society of the church. The interior of the church is now one of the neatest auditoriums to be found outside the large cities.

Regular services will be held next Sunday, Dr. Dunsmore preaching morning and evening. The male quartette will sing at the evening service, and everybody is cordially invited to all the services.

Facts About Machinery

In buying Plows, Drills, Harrows, etc, it behooves one to know beforehand that they can get repairs for same. It is a great inconvenience and expense to be unable to get any certain part to an implement or machine from the local agent, therefore we aim to keep supplies for all our machinery, besides our endeavor is to handle only the best, standing the least show for breakage. Of such we are the exclusive agents for Oliver Chilled Plows, Superior Grain Drills, The Osborn Spring and Spike Tooth Harrows, etc. In addition to being able to supply you any necessary repairs, we are selling them at reasonable prices.

Cream Separators

Have you been thinking about Cream Separators? If so, look into the merits, not price, of the various makes and see if you are not decided in favor of the Sharples Tubular. It is positively the simplest, most durable, light-running, closest-skimming machine on the market. Its system of separating is entirely different from any other make—the milk going in at the bottom where it whirls with the bowl being subjected to the powerful centrifugal force which the bowl generates, the skim milk immediately leaves the cream, the milk whirling upward against the wall of the bowl and passing out at the skim milk outlet, while the cream whirrs upward inside the milk, passing out of the cream outlet. This bowl consists of only three pieces which are easy to take out and clean, which is one of the great points about a machine. You will notice that the supply can in the Tubular is low so that one does not have to climb up to empty the milk. Any child can operate a Tubular. We would be pleased to show you a Tubular and know that they are a great convenience and money saver to all who have milk to take care of.
