NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is so constructed that it cannot add perceptibly to the heat of a room; the flame being directed up a retaining chimney to the stove top where it is needed for cooking. You can

see that a stove sending out heat in but one direction would be preferable on a hot day to a stove radiating heat in all directions. The "New Perfection" keeps a kitchen uniformly comfortable. Three sizes, fully warranted. If not with your dealer, write our nearest agency.

The important issue before the meeting was the adjustment of al-lotments the object of which was to lotments the object of which was to eliminate any friction. This and much was accomplished and the result was highly satisfactory to all. The work was all accomplished through committees of stockmen and the actions of the committees were endorsed by the officers without exception.
