You Will Need an Oil Stove

When warm days and the kitchen fire make cooking a burden-then is the time to try a New Perfection Wick Blue Flame Oil Cook-Stove.

Marvelous how this stove does away with kitchen discomforts how cool it keeps the room in comparison with conditions when the coal

fire was burning. The quick concentrated heat of the

goes directly to boil the kettle or bake the bread, and none is diffused about the room to overheat it. Thus using the "New Perfection" is real kitchen comfort. Made in three sizes and fully warranted. If not with your

It will be well for republicans to study carefully and well, the peculiar situation confronting them in the selection of a candidate for United States senator at the April primary. The candidacy of Governor Chamberlain on the Cake platform, adds new complications to the situation. If the three were to race for the June election it would certainly add material strength to Mr. Fulton, as both Mr. Cake and Mr. Chamberlain are committed to Statement No. 1, or the selection of a senator by direct vote of the people, while Mr. Fulton is on record as opposing it. But at the April primary, either Mr. Fulton or Mr. Cake must step aside. We have studied the situation carefully and draw the following conclusions:
