

**REGISTRATION REACHES 1707**

**Believed That Voting Strength Will Reach the 2300 Mark at Election in June**

**PRINEVILLE BANNER PRECINCT**

Everything in Readiness for Battle Tomorrow—507 More Republicans Than Democrats Registered in Crook County

The registration of voters for the primaries to be held tomorrow is completed. The totals show an increase of sixty-eight over the registration for the primaries in 1906, and more than 450 over the registration four years ago.

Thirty precincts are on the clerk's list this year, the new one being Lyle Gap. The republican majority shows a slight increase over that of two years ago, the present plurality over the democrats reaching 507 as compared with 467 in 1906.

Out of the total number registered 1043 are republicans, 536 democrats, 71 socialists, 22 independent, 19 prohibitionists and 16 no party.

Prineville is the banner precinct with 220 voters and Kutcher a close second, with but 20 less.

The number of voters that failed to register is not known but it is safe to say that the total for the county will reach 2300 or possibly 2500 before the election in June. The registration by precincts is as follows:
